

Paragon® 3/16 Frameless

The frameless design of the Paragon® 3/16 in. enhances and visually opens your bath area, providing a more expansive feel at a remarkably affordable price.

- 3/16 in. clear, heavy sliding glass
- Stay-clean self-draining track and adjustable rollers
- New dual-durometer snap-in center guide
- 1 in. wall jambs allow for maximum adjustment
- Pre-assembled hanger brackets

Newport

Modern, sleek lines enhance the beauty and functionality of this affordable shower door enclosure line.

- Heavy-duty extruded towel bar with standard finger pulls
- Stay-clean, self-draining track eliminates cleaning commonly associated with bypass shower doors
- H-shaped wall jambs are notched to fit securely over stay-clean sill
- Standard jamb alignment guide to insure proper fit of inside panel

Paragon® 3/8 Frameless

Heavy tempered panels glide smoothly inside an architecturally sculpted header for a clean, luxurious enclosure.

- 3/8 in. clear, heavy sliding glass.
- Stay-clean track and adjustable rollers
- Choice of through-glass handles
- H-shaped wall jamb
- Rounded euroheader

Tri-Pass Frameless

The TRI Pass Frameless is a three panel design which allows for greater accessibility.

- 3/16 in. glass thickness
- Available in obscure or clear tempered glass
- Sliding panels to maximize egress
- 1-person install
- Made in the USA

Challenger

The Challenger offers great value for those seeking a sleek, modern design. Easy to install thanks to its out-of-plumb adjustment and jamb alignment guide, this upscale bath enclosure comes with a stylish towel bar and beautiful finishes.

- Available in obscure or clear tempered glass
- Complete wrap-around vinyl glazing
- Out-of-plumb panel adjustment
- 1-person install
- Stay-clean bottom track + snap-in center guide
- Nylon ball-bearing adjustable rollers

Volté

Less is more when it comes to making a statement with our Volté shower door. The minimalist design conveys power and presence. The top rail allows for both doors to slide open while anti-jumping rollers prevent the doors from sliding off.

- 3/8 in. tempered glass
- Chrome, brushed steel, and oil rubbed bronze hardware finishes available
- Adjustable rollers for smooth sliding
- Multiple handle options available
- Optional stainless steel perimeter channels available for maximum water retention

Coastal Clarity®

Coastal products can arrive pretreated with Coastal Clarity®, a proprietary sealant that prevents hard water spots and reduces time spent cleaning glass.

Rust Resistance

Every GRIDSCAPE™ enclosure is made from anodized aluminum, ensuring that the shower door framework will not rust over time.

Easy Install

With more applications for architects and easier steps for installers, the solid surface design increases options, reduces labor costs and simplifies the process of any potential repairs.

White Glove Treatment

Our white glove mentality ensures that every piece is handled with complete care. With bespoke solutions specifically designed to define, your vision for a luxurious bath space comes to life effortlessly and beautifully.
