

## Illusion

A sleek, frameless swing collection offering the ultimate solution for an all-glass, seamless shower door with a luxury look and feel. Illusion uses an economical 1/4 in. stock door with sturdy 3/8 in. side panels and a unique "headerless" design for an open look and feel. The doors allow almost 1-1/4 in. adjustment and may be mounted on any surface.

- Headerless design won't obstruct tile work
- Customizable with ladder-pull or c-pull handle
- Polycarbonate strike assembly and sweep prevent leaking
- Extended inline panel available in various sizes
- Made in the USA
