

## Paragon® 3/16 Frameless

The frameless design of the Paragon® 3/16" enhances and visually opens your bath area, providing a more expansive feel at a remarkably affordable price.

- 3/16" clear glass
- Stay-clean self-draining track and adjustable rollers
- New dual-durometer snap-in center guide
- 1" wall jambs allow for maximum adjustment

Finishes:

## Newport

Modern, sleek lines enhance the beauty and functionality of this affordable shower door enclosure line.

- Heavy-duty extruded towel bar with standard finger pulls
- Stay-clean, self-draining track eliminates cleaning commonly associated with bypass shower doors
- H-shaped wall jambs are notched to fit securely over stay-clean sill
- Standard jamb alignment guide to insure proper fit of inside panel

Finishes:

## Meridian Series 1

The sleek lines of the Meridian Series are enough to catch anyone's eye. Its stainless steel rollers coupled with the weight of the 3/8" glass make for smooth gliding action upon opening the shower door.

- Shown with optional back-to-back handles. A 2-1/4" pull is standard.
- 3/8" clear glass
- A diminutive 4-roller system measuring 1-3/4" (44mm) each
- 1-3/16" (30mm) running rail height
- 1 fixed panel, 1 sliding panel

Finishes:

## Paragon® 3/8 Frameless

Heavy tempered panels glide smoothly inside an architecturally sculpted header for a clean, luxurious enclosure.

- 3/8" clear, heavy sliding glass
- Stay-clean track and adjustable rollers
- Choice of through-glass handles
- H-shaped wall jamb
- Rounded euroheader

Finishes:

## Tri-Pass Frameless

The Tri-Pass Frameless door is a three panel design which allows for greater accessibility.

- 3/16" clear glass
- Available in obscure or clear tempered glass
- Sliding panels to maximize egress
- 1-person install

Finishes:

## Meridian Series 2

The frameless style of the Meridian Series 2 adds a simple and modern look sure to fit effortlessly in any bathroom. Its low profile and adjustable anti-jump system allows for the perfect fit and maximum security.

- Through-glass handles
- 3/8" clear glass
- 2-3/16" (56mm) roller diameter
- 1 fixed panel, 1 sliding panel
- 1-5/8" (40mm) running rail height for extra stability
- Elegant, yet exceptionally functional, curved door stops
- Offset wall brackets for easier installation
- Water tight threshold integrated with fixed panel
- F-shaped seals for maximum water retention are provided, but optional

Finishes:

## Challenger

The Challenger offers great value for those seeking a sleek, modern design. Easy to install thanks to its out-of-plumb adjustment and jamb alignment guide, this upscale bath enclosure comes with a stylish towel bar and beautiful finishes.

- Available in obscure or clear glass
- Complete wrap-around vinyl glazing
- Out-of-plumb panel adjustment
- 1-person install
- Stay-clean bottom track + snap-in center guide
- Nylon ball-bearing adjustable rollers

Finishes:

## Volte™

Less is more when it comes to making a statement with our Volte™ shower door. The minimalist design conveys power and presence. This unique stainless-steel system allows both doors to slide while anti-jump devices guarantee operational integrity.

- 3/8" clear glass
- Chrome and brushed steel hardware finishes available
- Adjustable rollers for smooth sliding
- Optional stainless steel perimeter channels available for maximum water retention

## Gridscape® 1

Our original groundbreaking design features a striking combination of horizontal and vertical mullions. It's high style and functionality allows doors to be intermixed with an endless number of tastes and styles.

- Variety of handle types available
- Customize any configuration
- Mix and match glass styles and textures
- Multi-functional shower door and panel solution
- Customizable handle options

Finishes:  
Black Bronze

## Gridscape® 2

Horizontal mullions lend themselves to versatile, eye-catching designs. Go bolder than before and leave a lasting impression with this bespoke sliding door.

- 18" or 24" vertical square handle
- Soft-close mechanism pre-installed in header
- Smooth, gentle open and close, every time
- Mix and match glass styles and textures
- Multi-functional shower door and panel solution
- Header must be fixed to the ceiling in bypass configurations
- Customize any configuration

Finishes:  
Black Bronze

## Value Line

With sturdy 3/8" panels and a unique headerless design, both pivot and wall-mounted hinge showers achieve a beautifully open look and feel.

- Custom configurations for secure fits
- Through-glass handles for a smooth, finished look

Finishes:  
Chrome Brushed Nickel Black Bronze

## Paragon® Semi-Frameless

With unsurpassed quality as well as sleek, contemporary styling, the Paragon® Frameless hinge doors stand alone. Produced in a variety of sizes, this enclosure fits most every need.

- Produced in sizes from 22" to 36"
- Employs a non-ferrous magnetic seal to guarantee against rust and corrosion
- Knock-on handle, c-pull or ladder-pull handle

Finishes:  
Brite Silver Brushed Nickel Black Bronze

## Paragon® Framed

Durable in quality and sleek in design, the Paragon® Framed shower door is a popular choice for your bath space upgrade. With easy installation, this enclosure creates a timeless look in hardly any time at all.

- Adjustable jambs
- Full-length magnet
- Custom configurations available
- 1-person installation

Finishes:  
Brite Silver Brushed Nickel Black Bronze

## Paragon® Framed Bi-Fold

Designed to fit into the tight confines of boats, recreational vehicles, residences with limited space and manufactured housing, this door is the answer to many of the space limitation problems that are prevalent in areas of restricted size.

- Perfect for limited space shower applications
- 1-person installation
- Full length built in handle
- Anodized aluminum ensures shower door will not rust over time

Finishes:  
Brite Silver

## Illusion Series

A sleek, frameless swing collection offering the ultimate solution for an all-glass, seamless door with a luxury look and feel.

- Obstruction-free access with headerless design
- Customizable with ladder-pull or C-pull handle
- Polycarbonate strike seal and bottom sweep
- Employs a non-ferrous magnetic seal to guarantee against rust and corrosion

Finishes:  
Brite Silver Brushed Nickel Black Bronze

## Legend + Inline

The Legend Series framed shower door is easily installed in minutes for a classic look for your bath. The modular construction and telescoping wall jambs allow for easy out-of-plumb adjustment with just a few, simple pieces and clear, simple instructions.

- Continuous hinge
- Integrated handle
- Out-of-plumb adjustment
- Available in clear or obscure glass

Finishes:  
Brite Silver Brushed Nickel Black Bronze

## Paragon® 1/4 Frameless

Towel bars mounted through sturdy tempered glass panels add a touch of architectural elegance to the shower door design.

- 1/4" glass with radius-style curved towel bar
- Self-draining bottom track with jamb-alignment guides
- Dual durometer center guide for solid sliding operation
- Through-glass handles
- U-shaped wall jamb and rounded euroheader
- Adjustable rollers
- Custom configurations available

Finishes:  
Brite Silver Brushed Nickel Black Bronze
