

## Paragon® 1/4 Frameless

Towel bars mounted through sturdy tempered glass panels add a touch of architectural elegance to the shower door design.

- 1/4" glass with radius-style curved towel bar
- Self-draining bottom track with jamb-alignment guides
- Dual-durometer center guide for solid sliding operation
- Through-glass handles
- U-shaped wall jamb and rounded euroheader
- Adjustable rollers
- Custom configurations available

Finishes:

Brite Silver Brushed Nickel Black Bronze

## Paragon® 3/16 Frameless

The frameless design of the Paragon® 3/16" enhances and visually opens your bath area, providing a more expansive feel at a remarkably affordable price.

- 3/16" clear glass
- Stay-clean self-draining track and adjustable rollers
- New dual-durometer snap-in center guide
- 1" wall jambs allow for maximum adjustment

Finishes:

Brite Silver Brushed Nickel Black Bronze

## Newport

Modern, sleek lines enhance the beauty and functionality of this affordable shower door enclosure line.

- Heavy-duty extruded towel bar with standard finger pulls
- Stay-clean, self-draining track eliminates cleaning commonly associated with bypass shower doors
- H-shaped wall jambs are notched to fit securely over stay-clean sill
- Standard jamb alignment guide to insure proper fit of inside panel

Finishes:

Brite Silver Brushed Nickel Black Bronze

## Paragon® 3/8 Frameless

Heavy tempered panels glide smoothly inside an architecturally sculpted header for a clean, luxurious enclosure.

- 3/8" clear, heavy sliding glass
- Stay-clean track and adjustable rollers
- Choice of through-glass handles
- H-shaped wall jamb
- Rounded euroheader

Finishes:

Brite Silver Brushed Nickel Black Bronze

## Tri-Pass Frameless

The Tri-Pass Frameless door is a three panel design which allows for greater accessibility.

- 3/16" clear glass
- Available in obscure or clear tempered glass
- Sliding panels to maximize egress
- 1-person install

Finishes:

Platinum Chrome

## Challenger

The Challenger offers great value for those seeking a sleek, modern design. Easy to install thanks to its out-of-plumb adjustment and jamb alignment guide, this upscale bath enclosure comes with a stylish towel bar and beautiful finishes.

- Available in obscure or clear glass
- Complete wrap-around vinyl glazing
- Out-of-plumb panel adjustment
- 1-person install
- Stay-clean bottom track + snap-in center guide
- Nylon ball-bearing adjustable rollers

Finishes:

Brite Silver Brushed Nickel Black Bronze

## Meridian Series 1

The sleek lines of the Meridian Series are enough to catch anyone's eye. Its stainless steel rollers coupled with the weight of the 3/8" glass make for smooth gliding action upon opening the shower door.

- Shown with optional back-to-back handles. A 2-1/4" pull is standard.
- 3/8" clear glass
- A diminutive 4-roller system measuring 1-3/4" (44mm) each
- 1-3/16" (30mm) running rail height
- 1 fixed panel, 1 sliding panel

Finishes:

Polished Stainless Steel Brushed Stainless Steel

## Meridian Series 2

The frameless style of the Meridian Series 2 adds a simple and modern look sure to fit effortlessly in any bathroom. Its low profile and adjustable anti-jump system allows for the perfect fit and maximum security.

- 3/8" clear glass
- 2-3/16" (56mm) roller diameter
- 1 fixed panel, 1 sliding panel
- 1-5/8" (40mm) running rail height for extra stability
- Offset wall brackets for easier installation
- F-shaped seals for maximum water retention are provided

Finishes:

Polished Stainless Steel Brushed Stainless Steel

## Frameless Eclipse™

Named after the celestial phenomenon, the sleek and modern ECLIPSE™ Series features overlapping panels with smooth-gliding rollers with the exact function of a true barn door. This adaptable door has an anodized aluminum frame, stainless-steel handles, brackets and fasteners that deliver a functional, contemporary style balanced by its rustic, yet timeless, hardware.

- Clear tempered glass
- 24" vertical square handle
- Anodized hardware will not chip or rust

Finishes:  
Black

## Gridscape® 1

Our original groundbreaking design features a striking combination of horizontal and vertical mullions. It's high style and functionality allows doors to be intermixed with an endless number of tastes and styles.

- 1/4" clear tempered glass
- Variety of handle types available
- Easy to clean with exterior-only grid
- Anodized hardware will not chip or rust
- Customize any configuration

Finishes:  
Black

## Illusion Series

A sleek, frameless swing collection offering the ultimate solution for an all-glass, seamless door with a luxury look and feel.

- Obstruction-free access with headerless design
- Customizable with ladder-pull or C-pull handle
- Polycarbonate strike seal and bottom sweep
- Employs a non-ferrous magnetic seal to guarantee against rust and corrosion

Finishes:  
Brite Silver Brushed Nickel Black Bronze

## Paragon® Framed

Durable in quality and sleek in design, the Paragon® Framed shower door is a popular choice for your bath space upgrade. With easy installation, this enclosure creates a timeless look in hardly any time at all.

- Adjustable jambs
- Full-length magnet
- Custom configurations available
- 1-person installation

Finishes:  
Brite Silver Brushed Nickel Black Bronze

## Gridscape Eclipse™ Series 1

ECLIPSE™ takes the classic barn door design and marries it with our groundbreaking original design of our Gridscape® 1 concept, making for an elegant, striking bathroom.

- Customize glass styles and textures
- 24" vertical square handle
- Anodized hardware will not chip or rust
- Customize any configuration

Finishes:  
Black

## Gridscape® 2

Horizontal mullions lend themselves to versatile, eye-catching designs. Go bolder than before and leave a lasting impression with this bespoke sliding door.

- 1/4" clear tempered glass
- 18" or 24" vertical square handle
- Soft-close mechanism pre-installed in header
- Header must be fixed to the ceiling in bypass configurations
- Easy to clean with exterior-only grid
- Anodized hardware will not chip or rust
- Customize any configuration

Finishes:  
Black

## Paragon® Semi-Frameless

With unsurpassed quality as well as sleek, contemporary styling, the Paragon® Frameless hinge doors stand alone. Produced in a variety of sizes, this enclosure fits most every need.

- Produced in sizes from 22" to 36"
- Employs a non-ferrous magnetic seal to guarantee against rust and corrosion
- Knock-on handle, c-pull or ladder-pull handle

Finishes:  
Brite Silver Brushed Nickel Black Bronze

## Paragon® Framed Bi-Fold

Designed to fit into the tight confines of boats, recreational vehicles, residences with limited space and manufactured housing, this door is the answer to many of the space limitation problems that are prevalent in areas of restricted size.

- Perfect for limited space shower applications
- 1-person installation
- Full length built in handle
- Anodized aluminum ensures shower door will not rust over time

Finishes:  
Chrome

## Gridscape Eclipse™ Series 2

ECLIPSE™ takes the classic barn door design and marries it with our groundbreaking original design of our Gridscape® 2 concept, leaving a lasting impression.

- Customize glass styles and textures
- 24" vertical square handle
- Anodized hardware will not chip or rust
- Customize any configuration

Finishes:  
Black

## Gridscape® 4 Paradigm

Epitomizing bold style, this series of doors offers beautiful, surprising elements. Large geometric sections divide both the swing and panel of the Paradigm, creating beautiful offset mirror images of angular design.

- 1/4" clear tempered glass
- 18" or 24" vertical square handle
- Easy to clean with exterior-only grid
- Anodized hardware will not chip or rust
- Customize any configuration

Finishes:  
Black

## Value Line

With sturdy 3/8" panels and a unique headerless design, both pivot and wall-mounted hinge showers achieve a beautifully open look and feel.

- Custom configurations for secure fits
- Through-glass handles for a smooth, finished look

Finishes:  
Chrome Brushed Nickel Black Bronze

## Legend + Inline

The Legend Series framed shower door is easily installed in minutes for a classic look for your bath. The modular construction and telescoping wall jambs allow for easy out-of-plumb adjustment with just a few, simple pieces and clear, simple instructions.

- Continuous hinge
- Integrated handle
- Out-of-plumb adjustment
- Available in clear or obscure glass

Finishes:  
Brite Silver Brushed Nickel Black Bronze Platinum
